

# COVID-19 Mass Fatality Decedent Storage Platform

With the drastic increase in COVID-19 deaths, facility storage capacities for decedents are being stretched to the limits. Mortuary Response Solutions (MRS) is pleased to offer a unique packaged decedent storage solution. The MRS solution provides assurance to your facility in the safe packaging and storage of a pre-sumptive or positive COVID-19 decedents

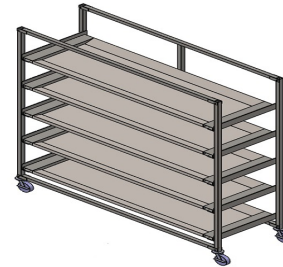

The MRS Mass Fatality Storage Solution consist of 4 main components. Component 1 - Refrigerated Trailer, Component 2 - Custom Stainless Steel Racking and Tray System to Maximize Storage Capacity, Component 3 - Decedent Loading and Component 4 - Virus Containment.

## Component 1 - Refrigerated Trailer

- 2020 / 2021 Refrigerated Trailer
- 53'x102"x13'6"
- Capacity - 2 Rows - 60-70 Decedents
- Capacity - 3 Rows - 90-105 Decedents
- Aluminum Flat Floor
- Carrier / ThermoKing Refrigeration Unit

## Component 2 - Stainless Steel Racking and Trays

- Five (5) Decedent Capacity
- All Stainless Steel Construction
- Swivel Locking Casters
- Decedent Side Load Access
- Flat Pack Design for Ease of Storage and Shipping
- Rack System Includes Five (5) Stainless Steel Trays

## Component 3 - Decedent Loading Device

- Powered Lift & Powered Drive
- 1,500lb. Capacity at 10' Height
- Straddle Configurations
- Lifting Heights: 125"
- Turtle Speed for maneuvering in tight quarters
- Belly Bump Auto Reversing Switch
- Adjustable Fork Carriage (straddle only)
- Integral 115V Charge

## Component 4 - Infected Decedent Containment

The CadaverSeal material meets the government MIL-SPEC for water, vapor, greaseproof and heat-sealable, flexible barrier materials having low WVTR for use in military packaging. (MIL-PRF-131K)

- Facility System - 1 - Roll CadaverSeal, Heat Sealer (1), Vertical Stand (1), Alignment Clips (2), Razor Knife (1) and Extension Cord (1) (System will Handel Approximately 25 Decedents)
- CadaverSeal MassPak - Export Certified Storage Crate, 30 Rolls CadaverSeal, Bio-Labels (Bx of 500), Adhesive Pouches (Bx of 500), Razor Knife (3), Heat Sealer (3) Horizontal Dispenser (3) Alignment Clamps (6) (System will Handel Approximately 750 Decedents)
