

AIR PURIFIER ORDER SHEET

Recommendations are that facilities place air purifiers in any room where visitors and staff spend time. Classrooms, offices, lobbies, meeting rooms, cafeterias / break rooms, lounges, gyms etc. The benefits of air purifiers in your facility depend on consistent use. We encourage you to run your air purifier throughout the day, every day, and to replace the filter when indicated. Please see the sticker on your filter and the manual for more information.
