Best-in-class goods and services. We have your procurement needs covered.

State Agencies: Ensuring state government agencies and similar organizations have access to premier suppliers whose goods and services support wide-ranging procurement options.

Local Governments & Special Districts: Providing local government entities contracts that are competitively sourced to that meet their unique needs and improve cost and time efficiencies.

Public School Districts: Local K-12 districts can maximize their purchasing power to secure supplies central to student success and that add value to taxpayer resources.

Higher Education Institutions: Colleges and universities have vetted, transparently secured, and budget-friendly vendors regardless of whether their needs are student, faculty or facility focused.

Non-Profits: Empowering service organizations to make the most of their finite resources by democratizing the supply chain and supporting their mission through much needed goods and services at lower cost and greater value.

THE SAFETY YOU NEED. THE CONTRACTS YOU USE.
