Safeware Technical Department:

Since 1979, Safeware has provided a superior selection of SAFETY products and technical SERVICE to customers in the Industrial, Government, Military and RESPONSE markets. Safeware Technical Services proudly offers maintenance, repair, rental, and leasing solutions. Our trained and certified technicians provide on-site and in-house services to minimize your downtime and keep you in compliance.

Yes, I would like to receive a rental unit with 15% discount off rental fees while my unit is being repaired. Please send a unit to the above shipping address immediately. (Gas Monitors Only)

If expedited service is needed, please contact our office to confirm availability

I acknowledge that should repairs be declined, a minimum evaluation charge of \$75 plus shipping and handling will be charged per unit. Further, unit repairs that have not been authorized within 45 days of evaluation are assumed declined and will be returned with the \$75 evaluation charge. I also certify that the equipment described above has been thoroughly cleaned and decontaminated of all chemical, biological and radioactive contaminants and also certify that the returned unit is safe for unprotected human contact.
