

**ACTIONSTREAMER**

| x SAFEWARE

# FIRST RESPONDER CAM

REAL-TIME VIDEO STREAMING

# SEE THE HOT ZONE. LIVE.

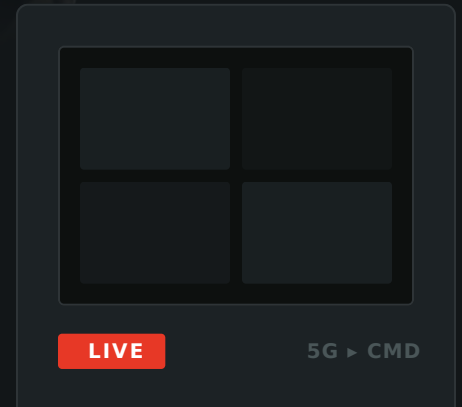

Purpose-built by & for HAZMAT, fire, and Search & Rescue teams. Instantly stream HD video from the danger zone to the command post, and from the command post to remote experts anywhere in the world — all hands-free & in real time.

• **WORLD'S FIRST 5G-ENABLED FIRST-RESPONDER CAMERA**

• **1080P HD**

• **HANDS-FREE**

• **REMOTE EXPERT COLLABORATION**

## MISSION ENABLERS

### 01

#### SAFETY

Live video monitoring for HAZMAT entrants and firefighters operating in the hot zone. Know what your crew sees — in real time.

**HELMET MOUNT OR 1/4-20" PISTOL GRIP**

**5G STREAMING VIA T-MOBILE T-PRIORITY NETWORK**

### 02

#### EFFICIENCY

Reduce time and dangerous re-entries into contaminated or compromised work areas. See it once, get it right.

**ONE ENTRY · GET IT RIGHT**

### 03

#### AWARENESS

Persistent live POV video enables early detection of developing hazards before they escalate into emergencies.

**MOBILE WORKSTATION · SHARE ANYWHERE**

**GET YOUR TEAM EQUIPPED**

When seconds matter, see everything — live
