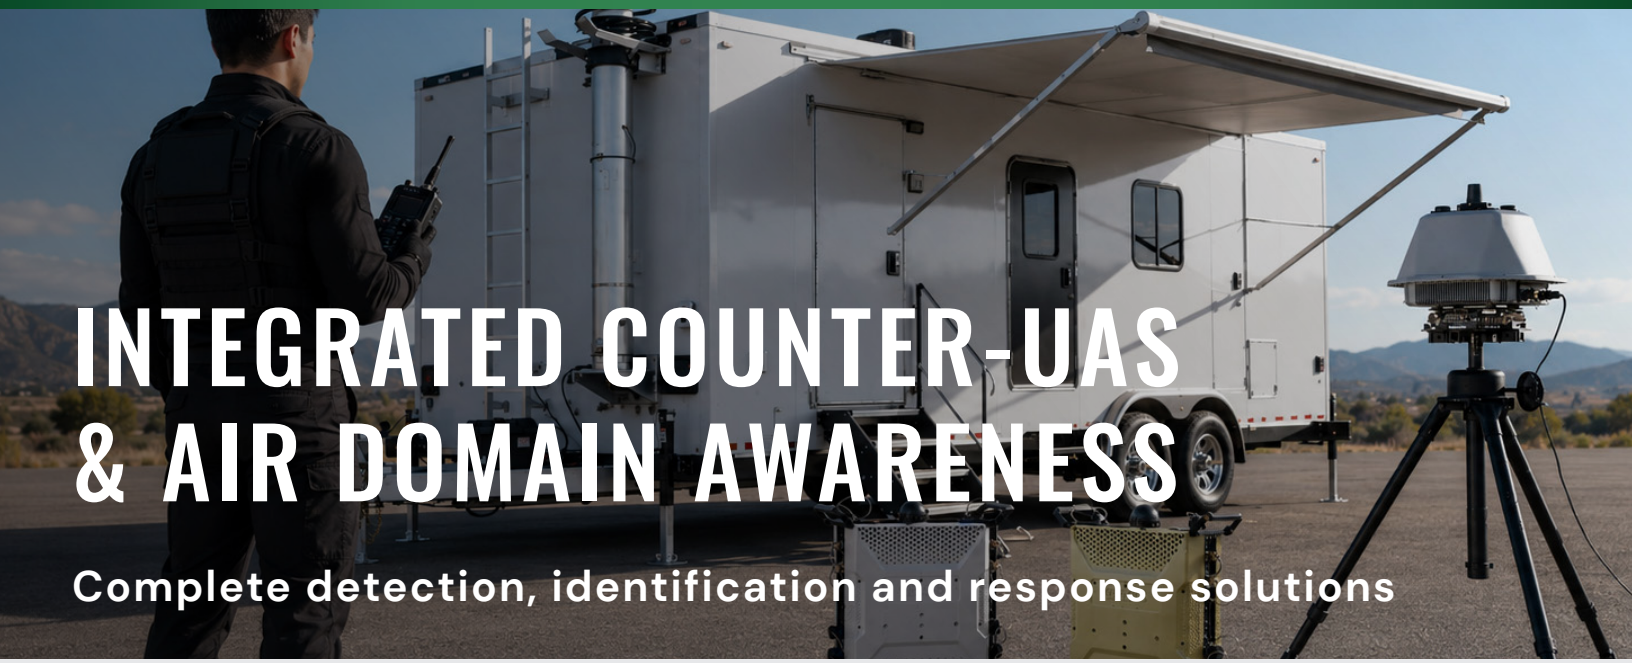
SAFEWARE®



INTEGRATED COUNTER-UAS & AIR DOMAIN AWARENESS

Complete detection, identification and response solutions

DETECT

Discover drone activity and establish real-time situational awareness.

IDENTIFY

Assess threats, track activity and provide actionable intelligence.

RESPOND

Deploy the appropriate layered response for the mission and environment.

MISSION-READY COUNTER-UAS PACKAGES

WEARABLE | DISMOUNTED / PORTABLE | VEHICLE MOUNTED

TRAILERS | SPECIALTY VEHICLES

Safeware brings together complementary Counter-UAS technologies into integrated solutions designed around the mission. From wearable and portable detection to vehicle and trailer-based systems, we can help configure layered capabilities for detection, tracking, identification, command and response.

Complete C-UAS Bundle Packages

Pre-configured Counter-UAS and Air Domain Awareness Bundles.

Customized kits avaialable upon request.

WEARABLE DTI KIT

Portable, wearable DTI Counter-UAS kit providing passive RF detection, tracking, location, and identification via operator device, C2 software, connectivity, portable power, 3-year warranty, and training. Rapid field deployment with short-range airspace awareness.

Kit: Secure Portable | **Category:** Air Domain Awareness | **Part Number:** SFW SPRTSA3XSXXL1SP1XT1

DRONESHIELD

PORTABLE DTIM KIT

Portable DTIM Counter-UAS kit featuring passive RF short-range detection, identification, and handheld directed mitigation. Includes operator device, C2 software, connectivity, portable power, 3-year warranty, and operator training for rapid field response.

Kit: Secure Portable + Defeat | **Category:** Counter-UAS | **Part Number:** SFW SPRTSA3XSXXL1SP1DS1T1

DRONESHIELD

MOBILE DISMOUNTED DTI SYSTEM

Case-deployed DTI Counter-UAS system providing RF-based medium-range detection, tracking, and identification. Includes operator device, C2 software, connectivity, portable power, 3-year warranty, and operator training for rapid mobile operations.

Kit: Advanced Mobile Dismounted | **Category:** Air Domain Awareness | **Part Number:** SFW AMDMDC3XDXXL1BRXT2

D-FEND SOLUTIONS

VEHICLE-MOUNTABLE DTI SYSTEM - Advanced 1

Vehicle-mountable DTI Counter-UAS system providing RF detection, tracking and identification with operator device, C2 software, connectivity, integrated power, antenna/mounting kit, 3-year warranty and operator training. Supports mobile operations, rapid repositioning and medium-range RF awareness.

Kit: Advanced Mobile Mounted (1) | **Category:** Air Domain Awareness | **Part Number:** SFW AMDMDC3XDXXL1BRXT2

DRONESHIELD

VEHICLE-MOUNTABLE DTI SYSTEM - Advanced 2

Vehicle-mountable DTI Counter-UAS system providing RF detection, tracking and identification with operator device, C2 software, connectivity, integrated power, antenna/mounting kit, 3-year warranty and operator training. Supports mobile operations, rapid repositioning and medium-range RF awareness.

Kit: Advanced Mobile Mounted (2) | **Category:** Air Domain Awareness | **Part Number:** SFW AMMTSA3XSXXL1XXT2

D-FEND SOLUTIONS

VEHICLE-MOUNTABLE DTIM SYSTEM

Vehicle-mountable DTIM Counter-UAS system providing medium-range RF DTI, and authorized RF-cyber mitigation. Includes operator device, C2 software, connectivity, integrated power, antenna kit, 3-year warranty, and operator training.

Kit: Advanced Mobile Mounted + Defeat | **Category:** Counter-UAS | **Part Number:** SFW AMMTSA3XSXXL1XXT2

D-FEND SOLUTIONS

TRAILER-16 DTIM SYSTEM

16-foot command-trailer DTIM Counter-UAS system integrating extended layered-range RF detection, radar, EO/IR, ADS-B, and authorized mitigation. Includes C2 software, connectivity, weather monitoring, integrated power, 3-year warranty, and operator training.

Kit: Fortify Trailer | **Category:** Counter-UAS | **Part Number:** SFW FT16DC3AV3UA3IA3EA3L2BRXT3
